City of Whittier Mayors
1898 - Present

This Collection of Mayoral photographs began with a gift from the Whittier Jaycees and included photographs of the City's Mayors from 1898 through 1970. The gift was an expression of the Jaycees' interest in helping to preserve and perpetuate the historical aspects of our community during the Jaycees' 50th anniversary. Since receiving the Collection, additional photographs have been added as new Mayors have been elected.
