WHITTIER COMMUNITY STREET BANNER PROGRAM

WhittierCulturalArtsFoundation

Call to Artists

the HEART of Whittier

This program is made possible by a collaboration between the Whittier Cultural Arts Foundation, the City of Whittier, and an Arts Education Partnership Program grant from Los Angeles County Supervisor Don Knabe.

Banner Program

The Whittier Cultural Arts Foundation and the City of Whittier Parks, Recreation and Community Services Department are seeking artists to participate in the eleventh annual Community Street Banner Program. Local artists of all ages, school children and organizations are asked to submit scaled down drawings for consideration to be painted onto banners that will be hung throughout the city.

Entries will be reviewed and selected by the Whittier Cultural Arts Foundation. Artists whose drawings are chosen will be given a banner on which to paint their artwork in acrylic paint onto one side. Completed banners will then be hung throughout the City. The back side of each banner will have the Foundation's logo and contact information, highlighting its commitment to this project and other programs that bring the arts to the Whittier community.

Through this project, we are hoping to build a connection with the arts by providing opportunities for local artists to display their work by placing it in the community for everyone to appreciate and enjoy.

Theme: The HEART of Whittier

How do you see art in Whittier? What is it about Whittier that inspires you? Tell us your perspective.

the HEART of Whittier

Guidelines, Application & Schedule

Submitted designs should measure 5 inches by 14 inches (keep in mind this is not to scale) and vertically oriented. Bright colors are suggested. Artists should take into account that these banners will be viewed from distances of 8 to 30 feet or more. Inappropriate or obscene language or images are prohibited.

Judging will be done by the Whittier Cultural Arts Banner Committee. For judging purposes, applicants are asked not to sign the front of their submitted design. Applicants may submit a maximum of two designs.

Once artists' designs are chosen, they will be notified and provided with a vertical banner measuring 30 inches by 104 inches **or** 24 inches by 60 inches. The banner should be painted on **ONE** side with acrylic paint. Painting supplies are not provided. You may prime the banner with a standard acrylic primer or "Gesso" primer before painting. The artist's signature can be placed on the lower right hand corner of each side. Once completed, the banners will become the property of the City of Whittier, but will be available for purchase at the conclusion of the program.
