Service Guidelines

To help ensure efficient, effective service, we have developed the following additional guidelines for DAR Plus. If you have any questions or suggestions, please do not hesitate to contact us at (562) 567-9480.

The policies and procedures of the regular Dial-A-Ride program apply with the following exceptions and special procedures:

- You must be registered with the regular Whittier Dial-A-Ride Program to use DAR Plus.
- You must book your DAR Plus trip in advance. Same day service is not available. (You will not receive a stamp on your green preschedule card for prescheduled DAR Plus trips.)
- Please remember that service is extremely limited and the vehicle may not be available at time of appointment.
- This is a shared ride and 4:30 p.m. is the last drop-off time. Therefore, depending on where your appointment is, the latest available pick-up time may be significantly earlier.
- You may have someone accompany you only if you need assistance either before, during or after your appointment.
- Please remember that you cannot use your regular Dial-A-Ride card to pay a DAR Plus fare. So be sure you have enough value on your card to cover your full trip.
- DAR Plus One Way Fares are:
