WHITTIER COMMUNITY THEATRE
THE HUNCHBACK OF NOTRE DAME
MUSIC BY ALAN MENKEN/LYRICS
BY STEPHEN SCHWARTZ/BOOK BY
PETER PARNELL
 Based on the novel by Victor Hugo and the songs from the Disney film. Victor Hugo's haunting tale of repressed passions and the transformative power of love is brought to life in this powerful musical. Floating on the soaring music of Menken and Schwartz, this is not the light-hearted cartoon, but a gripping tale of the long-ago streets of Paris where a gypsy, a hunchback, and a soldier strive to make their way, and perhaps find some happiness, in the shadow of the great cathedral of Notre Dame
