

CITY OF WHITTIER FILM PERMIT GUIDELINES

A. GENERAL INFORMATION

1. The City of Whittier designates the Public Works Department to work directly with the production company for the issuance of a film permit. The Public Works Department's number is (562) 567-9500.
2. All permit applications shall be submitted in writing. The production company is to make an appointment with designee to discuss filming proposals.
3. The designee shall expedite the permit process by coordinating all Whittier City department reviews and proposals, including the Los Angeles County Fire Department Film Desk, which provides fire services to the City of Whittier.
4. The permit shall be issued within five full working days of the submission of a completed application.
5. Unlimited permit "riders" (a written attachment to the permit that accommodates changes) shall be used. The City of Whittier has the right to require submission of a new or additional application for requests which involve a substantial change to any material element of the original permit, including, but not limited to, addition of pyrotechnics, more than two additional days of filming, change of location, or for when a proposed rider is submitted after expiration of the original permit. A permit cannot be extended or amended by the rider after the completion of the filming activity. All riders not submitted in a timely manner will be subject to an additional fee.
6. If other non-Whittier City agencies (e.g., Caltrans, Los Angeles County, any school district, etc.) have jurisdiction, the designee shall require the permit applicant to notify such overlapping jurisdictions, obtain appropriate consents and/or permits, and shall list such other agencies in writing on the permit.
7. The permit application fee is \$400.00 for filming; \$200.00 for still photography, which is non-refundable, and which is due at the time of submission of the film permit application. This fee does not include para-police charges (\$89.20 per hour; police car \$9.25 per hour; minimum 3 hours) or Public Works Department fees which vary due to labor, materials, etc. All fees must be paid in advance. Police officers assigned may enforce this permit.
8. A business license will need to be issued to the production company and the companies working for the production company, e.g. catering companies, crane companies, security companies, etc. To obtain a business license, please call (562) 567-9860.

9. If the production company is going to use a Whittier City park, an additional permit must be issued through the Park Department and additional fees could be incurred, including fees for a park caretaker and/or use fees authorized by the City Council.
10. **All prep, shoot and strike shall occur between the hours of 6 a.m. and 10 p.m. Deviation from these hours may only be permitted with written approval in advance from the City Manager or his/her designee on a case-by-case basis. Such approval shall be considered after additional documentation is received, such as agreement from one hundred percent of affected property owners and occupants within the 300 foot distance of the film location.**
11. Filming in the Uptown Business District is limited to filming reviewed and concurred by the Whittier Uptown Association prior to submittal to the City (map of District is attached).
