- 1. CALL TO ORDER:

Joe Vinatieri, Council Member Bob Henderson, Council Member Owen Newcomer, Mayor Pro Tem

Cathy Warner, Mayor

- 3. PLEDGE OF ALLEGIANCE:
- 4. ORAL COMMUNICATIONS: Normally this is the time for the public to address the City Council regarding the item listed on the agenda. Since this is a noticed Special Meeting and the only matter of business is a public hearing, public comments will be accepted after the public hearing is open so that the comments can be made part of the hearing record. At this time, it is anticipated that public testimony will begin on November 9, 2011. The public testimony period may close on November 9th.

PUBLIC HEARING: Anyone with an interest in the matter scheduled for public hearing may speak during the hearing. A speaker's comments are limited to three minutes with the exception of the applicant. If you challenge any part of the proposed action in court, you may be limited to raising only those issues you or someone else raised during the public hearing.

This is the date and time set and duly noticed for a de novo public hearing to review the Planning Commission's approval of Conditional Use Permit CUP09-004 and certification of an environmental impact report for a project that consists of wells, oil processing, a natural gas plant, oil and natural gas pipelines, and oil truck loading facilities, to be located within portions of the 1,290-acre City owned Whittier Main Field, within the Puente Hills Landfill Native Habitat Preservation Authority area, generally located north of Mar Vista Street and west of Colima Road, in the City of Whittier. The oil and gas production and processing facilities will be physically located at one consolidated site (up to 7.0 acres) within the Whittier Main Oil Field. (Applicant: Matrix Oil Corporation).

An environmental initial study has been completed and it has been determined that the proposed project would have a significant impact on the environment. Consequently an environmental impact report was conducted and a Mitigation Monitoring Plan was prepared in accordance with the requirements of the California Environmental Quality Act. (State Clearinghouse [SCH] 2010011049)

It is recommended the City Council conduct the public hearing and adopt:

- Resolution No. 8423 entitled "Resolution of the City Council of the City of Whittier, California, certifying the Final Environmental Impact Report for the Whittier Main Oil Field Development Project; adopting findings pursuant to the California Environmental Quality Act; adopting a Statement of Overriding Considerations and adopting a Mitigation Monitoring and Reporting Program"; and
- Resolution No. 8424 entitled "A Resolution of the City Council of the City of Whittier, California, approving Conditional Use Permit No. CUP09-004 to allow the development and operation of the Whittier Main Oil Field Project located on City owned land within the Puente Hills Landfill Native Habitat Preservation Authority Area (Formerly the Whittier Main Oilfield) generally located north of Mar Vista Street and west of Colima Road".

Proposed Motion: I move that Resolution Nos. 8423 and 8424 be read by title only, further reading be waived, and they be declared adopted.
