Subject:

Consulting Agreement with Esther Feldman & Associates

RECOMMENDATION

It is recommended the City Council authorize the City Manager to enter into a consulting agreement with Esther Feldman & Associates to represent the City on matters dealing with City-owned property purchased with Proposition A Funds and make minor changes as necessary.

BACKGROUND

The City currently owns well over 1,000 acres in the Whittier Hills that is used as open space, which provides a habitat for native plant and wildlife. A significant portion of this property was purchased with grant funds requiring grant agreements between the funding agency and the City involving future uses and the methods available for repaying the grants should the property change in use or the property generates income. It is now timely to work with the County of Los Angeles to determine the manner in which these payments will be made should a CUP be issued for mineral extraction and approximately 7 acres is used for the proposed mineral extraction project. In light of the fact that Ms. Feldman is viewed as the expert in this subject area, the City would like to have her co-ordinate these discussions and the implementation of any action required under the terms of the grant agreements currently in place. This activity is deemed to be relatively short-lived and will only require the retention of Ms. Feldman for a period of eight (8) months. In light of the fact that this effort is part of the due diligence required prior to the consideration of a CUP application filed by Matrix Oil, the applicant will be required to post the necessary deposits with the City to allow for the payments due under this agreement. Ms. Feldman will be working under the terms of a monthly retainer amounting to \$15,000 a month for eight months.

FISCAL IMPACT

This contract will total \$120,000 and will be charged against the developers deposit posted for processing of the CUP application for the extraction of minerals in the Whittier Hills. There will be no financial impact on the City of Whittier.
