Subject: Promenade
Date: Thursday, October 01, 2020 9:59:52 AM

Good morning, my name is Juan Carlos Salazar, owner of JC's Kitchen @ 6541 Greenleaf Ave. Whittier CA 90601. My business has been closed since March 19th due to Covid-19 and I have been working really hard in trying to reopen. I have seen how great our local businesses have been doing with our closed street and walking freely on the Promenade. This is the only reason why I am planning on reopening my business. Because of the movement and all the people visiting our city and local businesses. Personally I have a lot of friends and family visiting uptown Whittier because of this. They come, they enjoy it and they love it, And not just our businesses but they also like our City and community as well. This is making our local business successful and putting Whittier on the map. It would be great if we can keep doing this permanently to help us get back on our feet after such devastating times, or atleast until January. But permanently would be better thank you for your time, your love and support to all of us. We are stronger and better because we do this together. We are Whittier!
