My name is Nina Cuca a resident of the city of Whittier retired Whittier High School. I would just like to ask why on Earth. Did she call ready to take the senior center and turn it into a homeless shelter. I just turned 65 just retired was enjoying the senior center for to exercise classes a painting class a crochet Class A nutrition class. You think I'm ever going to want to go back in there after the homeless have been in their wage is disgusting and we're old and frail and you you put all those germs in there and it's just I I watched them peeing and urinating all that up front and then you've got it all closed off and you've actually made it into a homeless and like there weren't any other better choices. Give me a break. I think City Hall makes one bad. Mm. After another and your director of Parks and Recreation doesn't know the difference from a pine tree and a box ornamental little Japanese. Nothing tree off. I wish you'd all be taken out of office and I just wanted to say thanks a lot.
