Subject: Uptown Promenade
Date: Saturday, October 3, 2020 3:32:12 PM

As a resident of Uptown Whittier we urge you to make the Greenleaf promenade permanent. This pandemic has been extremely stressful and depressing but the promenade has been a great place to go for a walk or have dinner and get a sense of normalcy. It has definitely made this time better and I would hate for it to be shut down at the end of the month. Please consider making it permanent for our community
