**Importance:** High

Dear Mayor Vinatieri, Mayor Pro Tem Bouchot, City Council Members, Martinez, Warner and Dutra:

I am writing today with an urgent request that you vote in favor of keeping the Greenleaf Promenade open.

Every single business in Uptown Whittier has been adversely affected - some more devastatingly than others - by the reduced foot traffic we depend on for customers... and our livelihoods. One thing we can all agree on is that by keeping Uptown Whittier open and thriving, we do much more than supporting restaurants; we're protecting a destination that's become popular in the area and provides much needed tax revenue for the general budget.

Besides, this area was designed to support a walkable, livable downtown. It is never more vibrant - or successful - than when the parking lots are full, people are strolling, and our extraordinary nightlife is being enjoyed by all!

THANK YOU, in advance, for your 'YES' vote!
