Subject: KEEP THE GREENLEAF PROMENADE
Date: Saturday, October 10, 2020 11:29:07 AM

To: Mayor Vinateri, Whittier City Council and The Uptown Association

Thank you for implementing the Greenleaf Promenade project. We were on the verge of becoming a ghost town. Not only has it saved small businesses from possibly closing but it has also injected a new sense of hope and strength into our community. During a time of uncertainty you have managed to reinforce the confidence in business owners to keep going during an extremely difficult time and you have provided an outlet for the community that meets the needs for balanced mental and physical health. Also, it's another reason for homeowners not to consider moving out of Whittier. The Greenleaf Project is a genius move. To take it away while it has been gaining so much momentum may hinder our economic growth and would be a great discouragement to both Whittier business and residents. Thank you all for the effort and hard work ! We vote to keep it open permanently!

Thank you for your time,
Pat and Pattie Taesali
