Dear City of Whittier City Council,

I am writing to voice my support to keep the "Greenleaf Promenade" in existence.

As an owner of two business on "the promenade", we could not have made it this far without the city closing Greenleaf Ave. and allowing us to use the street for dining. I acknowledge imperfections but everything can be worked through as we forge ahead in this uncharted and uncertain territory. I remain confident everything will be worked out for the public, city and our businesses combined safety and greater good.

In the mean time our restaurants are open for outside dining and we are all hopefully able to stay afloat while we discover what the future has in store for us.

In short, if we close the streets we will most certainly loose our businesses.

Thank you,

Michael Kachoeff
