Good morning!

My name is Amberlee Arcadi and I am a resident of Historic Uptown Whittier. I am a huge supporter of the traffic blocks on Greenleaf that have allowed Whittier residence a sense of normalcy during a very abnormal and difficult time-a time that will continue to unfold in ways unbeknownst to us at present. Not only has it given us a greater sense of community (pandemic or not), it also has allowed the small businesses that make uptown what it is to survive. I believe that it is \*crucial\* to the livelihood of this community that the city allow the businesses and restaurants of Uptown to continue to provide outdoor dining on the Greenleaf Promenade. My fear is that if you take away this beautiful gift that you've given my community, that it will only hurt us as a whole. I am asking as a life-long resident of Whittier that you reconsider your decision to allow the Greenleaf Promenade to stay for the betterment of our community. Thank you for your time.

Sincerely,

Amberlee Arcadi
