I strongly oppose the closure of the streets in uptown Whittier ! It kills all of the other businesses in favor of a few cafes . The loss of tax revenue from those businesses and the destruction of the uptown small businesses destroys the ambiance of our bedroom community and the families who have ran them for years !

The Thousands of dollars which they have been forced to pay the uptown association in order to have a business operate uptown should guarantee their right to continue to operate without this restriction ! It is reminiscent of the failed auto row on Whittier Boulevard which was another boondoggle !
