I am writing in support of continuing the Uptown Promenade. The new design is not only a refreshing and wonderful improvement to the uptown area, it is absolutely essential to the future of many if not all of the businesses in that area. Many businesses will suffer and most likely close if they are forced to eliminate outdoor seating. I hope that you recognize the negative effects closing the promenade will have on the community as a whole and continue to support the uptown promenade. Sincerely, Nicholle Malave
