Good Afternoon,

I have been informed that the permanence of the uptown promenade is up for discussion. Though I do not live in Whittier, it is a place I enjoy visiting. I have been going there for a few years to visit certain businesses and have always thought highly of the area. During covid the first business I went to visit since lockdown was the Whittier Brewing Company and was extremely happy with the way they were set up and sticking to covid guidelines. More recently I visited Whittier to have dinner for a friend's birthday and the group I was with all agreed that they love the way that it is currently set up and would make them want to come dine in that area again.

I hope this email helps the decision to keep the promenade up. I have thoroughly enjoyed the new layout and hope it is kept, especially to help us feel more comfortable during these covid times.

Thank you,  
Candice Cardenas
