Dear City of Whittier Council

As a Whittier resident, I enjoy having somewhere to walk around and eat a nice meal. The promenade is just the place to go. I prefer to keep my money in Whittier instead of Orange County. I know we have some parking issues but the new parking building should take care of that problem. We need to support the businesses that can be open at this time, I have been able to walk around and visit new locations that I normally don't visit. I hope you would consider keeping the promenade.

Thank you
