Date: Tuesday, October 13, 2020 12:38:31 PM

Please keep Greenleaf Promenade permanent. Please count my vote.

Thanks

--

The reward of the young scientist is the emotional thrill of being the first person in the history of the world to see something or to understand something. Nothing can compare with that experience... The reward of the old scientist is the sense of having seen a vague sketch grow into a masterly landscape.

—Cecilia Payne-Gaposchkin (accepting the Henry Norris Russell Prize from the American Astronomical Society)
