Council Meeting 10/13/2020  
Agenda Item No. 14.B

Date 10-13-2020

To: City of Whittier

Attention: City of Whittier City Council

From: Uptown Whittier Improvement Association, Land Use Committee

Subject: Support for the time extension of the Greenleaf Promenade

The Land Use Committee of **Uptown Whittier Improvement Association** (UWIA) would like to thank the City Council for their proactive efforts and financial support of our local businesses by considering the time extension of the Promenade. Also, we would like to voice our support for the time extension of the temporary "Greenleaf Promenade".

The promenade helps local businesses that are suffering economic hardship due to the coronavirus closures and have had capacity limitations due to COVID-19 public safety guidelines.

We support the time extension of the temporary Greenleaf Promenade to a time and date when the County of Los Angeles determines that it is safe to lift all restrictions related to COVID-19 on retail and service businesses.

Sincerely

Frank Rinaldi, President of the UWIA

Chair of the Land Use Committee
