Hello

My name is Lorenzo Parra and I have been a resident of Whittier all of my life. I am currently 17 years old, attend Whittier High School, and live in uptown Whittier. I would like to state my opinion, that the Whittier Promenade should stay permanent, and remain on Greenleaf Avenue.

The promenade has allowed for me to safely eat and enjoy my friends company. As well as create a designated area where we are allowed to hang out while performing social distancing w/ masks protocol. It has also made the space all the more elegant. Without the cars driving through Greenleaf, it creates a atmosphere that's much more serene and peaceful.

As someone who normally traverses through Whittier and uptown area, the closing of Greenleaf Avenue has not made it anymore difficult to for me or my family to go finish their daily errands.

In conclusion, I really do wish for the Whittier Promenade to stay, even after the COVID-19. It is extremely nostalgic to me, as it reminds me of the night farmers market on Comstock Avenue.

Thank you for your time!
