**Subject:** Extension of the Promenade in uptown whittier

Hello,

I'm writing in support of the restaurants at the promenade in uptown whittier. As a Whittier resident and patron, I would like the restaurants to continue having the opportunity to operate outside. I understand that traffic is an issue but the most alarming problem is the loss of revenue, jobs, and keeping patron's safe. I have offered my patronage to several of these businesses during these difficult times and I would like to continue doing so in a safe manner. I feel it is the city's responsibility to ensure these businesses survive and patrons are safe while visiting uptown whittier.

Please consider an extension on the closure of the promenade for as long as necessary.

Kind regards,

Milena Abarca
