Hello Luis Rigoberto:

Please provide these comments to the Council.

I thank you in advance for your kind attention to this matter.

- Homeless - They have really tested our patience both mine and Dave's. I reached out to Mayor Vinatieri. Thank you sir for reaching out to Brian and Shannon.
Shannon called and we discussed the situation and she was going to speak to Kyle. I forwarded some pictures which displayed the trash and feces.
They have gotten into the habit of defecating behind our store. You can go right now and there is some feces there for viewing. This is what we deal with on a daily basis.
Help us please ! Sargent's has been here for 61 years. We are up against COVID-19; No Sports are being allowed; all the Rights rendered to the homeless.
We have to provide them a 24 hour notice before their abandoned trash can be removed.
- Parking - The lot that was set up for the overflow of vehicles across the street from Sargent's; Rite Aid and Corner stores (Chicken Coop; Off the Hook)
Whoever allowed that Freedom Church to take over that Public Parking Lot is so out of Line. I guess the boundaries have changed regarding privileges allocated to the Church. Any business located North of Hadley Blvd. is not considered Uptown Whittier or part of the assessment area. The fact that the Church is allowed ., I am sure that they are a Non-Profit. Please educate me regarding this situation.
