Hello,

I am writing to express my sadness when I heard about the removal of the trees in Uptown Whittier. I've lived in Whittier my whole life until and have always admired the beautiful trees in Whittier. When I am driving down Greenleaf Ave. and have had a stressful day, I look at the trees and they bring peace and tranquility. When people ask me about Whittier, I tell them about the many trees we have and how peaceful they are when walking or driving down the street. Please please don't remove the history from Uptown Whittier and let the trees stay for more people to experience.

Thank you.

Best regards,

Roxana Arredondo
