Good afternoon,

I am writing you to state my concern in the removal of 113 trees along Greenleaf Avenue & so forth. My grandparents lived in Whittier for over 70 years, my parents for over 50, myself for 25 years & I plan to raise my daughter here with my husband. That is 4 generations that have & hope to enjoy the shade provided by the uptown trees. Whittier's summers are scorching, removing the trees will only contribute to the city wide heatwaves, environmental damage & not to mention ruin local business. Please don't remove all the trees.

Sincerely,

Whittier Resident
