I was born and raised in Whittier. I recently visited my beautiful home town that includes the trees in the uptown of Whittier. Not only was Fred C. Nelles many beautiful trees and buildings destroyed and now you want to destroy uptown Whittier?

I was so disgusted at the empty stores in the Uptown area that I don't think I'll ever return. I was expecting boutiques, many restaurants with a variety and so much more. Instead, I saw a miserable town. I am so grateful for memories of a beautiful, blossoming town.

Please restore our beautiful town, do not destroy it!!
