Hello my name is Michael wauschek I am concerned citizen

We need trees in our life it better for it makes the space were ever they it good for our climate as well for our wildlife without the trees our oceans will pollution with nothing of filter of runoff, the filter of our air of all of pollution this done by us, it help to keep heat Island effect away letting of naturel air conditioning we need trees without trees their no life. Let's not say once the last tree stand let we planning more of them that we understood what we did wrong in the past that this how we correct it
