Please do not read my name:

To the City Council of Whittier,

I urge you to prioritize the interests of Whittier's residents in your decisions. Our community values its unique character, including the preservation of our trees, and we believe that these should be central to your considerations.

It is crucial that you represent all constituents fairly and respectfully. The current actions and decisions seem at odds with the community's needs and desires. Please set aside personal biases and work collaboratively with the residents you serve.

Your role is to listen to and engage with the community, making decisions that reflect our collective values and needs. We expect you to act in the best interest of Whittier and to avoid decisions that could be seen as dismissive or self-serving.
