Since profanity is now allowed at meetings, what else can we expect? Hate speech? Hate Symbols? Defaming? Nudity? conspiracies? 3 minutes of cussing? Do better. What's worse? People cheering the man child on. Shame on you. Whittier do better.

Don't pretend to be a person of faith and then cheer this bully on.

What should we tell the kids attending the blue ribbon presentation when the foul mouth midget starts ranting again?

Do better and don't give this child a platform.
