Hello,

I live at 10105 Groveland Ave and wanted to provide my comments regarding the proposed street sweeping.

I am all for parking restrictions to limit the number of broken down cars left on Russell Ave. I am tired of people treating Russell Ave as their personal junkyard. One resident seems to be running a used car business and leaving his old, junky cars on Russell Ave. It is obvious these cars do not belong to residents as they all have Arizona license plates. Please do something about this. You were able to get the "junkyard" of cars off of Costa Glen Ave by limiting overnight parking, but now those cars have just moved onto Russell Ave.

Any sort of parking restrictions are welcome to get the streets cleaned up of these old, beat-up used cars that clearly do not belong to residents.

Sincerely,
Erik Kunetka
