To Mr. Joe Vinatieri and Members of the City Council,

Living in Whittier and in our home for almost 36 years now, we feel blessed to have chosen this lovely community to reside in. My husband and I celebrated our 50th anniversary last year. We raised our son in this great family-oriented City.

I've written several letters concerning the short-term rental across the street from us. I've attended several council meetings because of our concerns over "vacationers" across the street; parking issues including double parking in the middle of the street for hours at a time, noise issues, trash in the street, etc. Please, why allow these businesses in our neighborhood? And added to this, the fire danger! We just this week received a clearance notice from the County of Los Angeles Fire Department, which of course we follow and abide by all the rules. Too scary to allow vacationers in our neighborhoods, who do not completely know the fire hazard situation here.

Super Bowl Sunday we enjoyed being with our family, including 2 members who still have not been allowed to go back to their homes in Altadena for over a year now. They are so displaced. Their lives will never be the same.

PLEASE be firm with your votes against STRs in Extreme Fire Zones.

Incredibly Earnest,
Cathy Miyasaki
